For Openers...

Happy New Year! We are excited to kick off 2018 after a record year at Fit Kids in 2017. Our Core and Charter classes are back after a break during the holidays, and we are excited to have so many kids participating in our programs.

With your support, we are taking leaps and bounds in service to youth. We could not be more honored and grateful that you have joined us in developing Fit Kids!

Nothing is more rewarding than seeing all the kids we serve in action. As a Fit Kids supporter, you should have that same feeling, so if you ever want to experience one of our classes, just drop a note to Fit Kids Founder Ashley Hunter by clicking on the link below.
