Stations should be approximately 25 feet apart. • Divide the players into 4 small groups—1 group per station. • All players begin at the same time by performing the fitness skill at their station for 30 seconds. When time is up, players can rotate by skipping, jogging, hopping, or running to the next station. • Players should complete each station at least 3 times.
Game (10 min.)	<p>Tic Tac Toe</p> <ul style="list-style-type: none"> • Create a 3x3 grid (9 squares) using the hula hoops and divide players into two teams. • Divide the bean bags evenly between the teams and be sure each team has a specific color. For example, Team A's bags might be green while Team B's bean bags are red. • Standing 10 feet away, the first players of each team pick up their color bean bags and toss them into one of the hula hoops in the grid. • Each player after takes a turn tossing a bean bag until one team is able to get 3 bean bags in a row (vertical, horizontal, or diagonal). • Variations: Create an obstacle course to run through before tossing bean bag into a square. For example: jumping over hurdles, ladder drills, frog hops on dots, etc.

Obstacle Course (15 min.)	
<p>Setup and Instructions</p>	<p>Set up obstacle course or relay in a space that accommodates the size of the group. Use the diagram below when setting up.</p> <p>One person at a time starts the course. To begin, the player jumps over each hurdle landing both feet on the ground before jumping again. Next, the player picks up the sandbell and throws it down to the ground. This is repeated 5 times. The player then performs fast feet through the ladder (example: 1 foot in, 1 foot out or both feet in, both feet out). After the ladder, the player should sprint through the end cones and then jog back to the start line. Each player should complete the course at least twice.</p>

PE Game: Fruit Salad (15 min.)	
<p>Setup</p>	<p>Create a large circle with the dots/poly spots and/or cones.</p>
<p>Game Instructions</p>	<p>Goal of the game is to run across the circle while dodging taggers.</p> <ul style="list-style-type: none"> • Select 1–2 players to start off as “it.” • The rest of the players will put on a waist flag belt and stand on a dot/poly spot or next to a cone. These players will choose or be given a fruit to be—either apples, bananas, oranges, or strawberries. Any fruit can be chosen, but there are only 4–5 fruits per game. • Once a player picks their fruit, they have to stay that fruit for the rest of the game. • The tagger(s) starts in the middle of the circle. The tagger will yell out a type of fruit (for example, banana). All the players who chose bananas must try to run across the circle to an open spot or cone while avoiding having their flags pulled. • If their flag is pulled, they freeze where their flag was pulled and now they help with tagging, but they cannot move from that spot. • The tagger will then call out another fruit. The tagger can also call out “fruit salad,” which means everyone has to run across the circle without getting their flags pulled. • Play continues until almost all players’ flags are pulled. • Variations: Start with more taggers to have the rounds go quicker.
