Fitness Stations & Game (20 min.)	
Stations (10 min.)	<p>Station 1: Incline Push Ups</p> <p>Station 2: Side Planks</p> <p>Station 3: Bicycles</p> <p>Station 4: Inch Worms</p> <ul style="list-style-type: none"> • Use 4 tall cones to designate 4 stations. Stations should be approximately 25 feet apart. • Divide the players into 4 small groups—1 group per station. • All players begin at the same time by performing the fitness skill at their station for 30 seconds. When time is up, players can rotate by skipping, jogging, hopping, or running to the next station. • Players should complete each station at least 3 times.
Game (10 min.)	<p style="text-align: center;">Bean Bag Tag</p> <ul style="list-style-type: none"> • Create a field of play by having all players stand on one side. Place a cone on the opposite end to designate a boundary line. • Choose one player to be “it” and have that player stand in the middle of the playing field with 36 bean bags. • When the coach blows the whistle, all other players try to run from one end of the field of play to the other without being hit by a bean bag thrown by the “it” player. • Players who get hit with a beanbag must perform a 5-second plank and join the “it” player in the middle to help tag more players. • The last player to get hit with a bean bag is the first “it” for the next round. <p>*Remind players that bean bags should be tossed at or below shoulder height.</p>

Relay Race (15 min.)	
Setup	Set up obstacle course or relay in a space that accommodates the size of the group.
Relay Instructions	<ul style="list-style-type: none"> • Divide players into even lines. Each team should have at least 15 beanbags in front of the short cone. • When the coach blows the whistle, the first player in each line picks up a bean bag and tries to toss it into the first box of the ladder. If that player's bean bag lands in the first box, the player sprints past the ladder to the end cone and cheers on the team. The second player in line then picks up another beanbag and tries to toss it into the second box of the ladder. • If players miss the appropriate box, they run to collect the bean bag they threw, bring it back to the team, perform 5 push-ups, and then get in the back of the line. This repeats until all boxes of the ladder have a bean bag. • If players have not made it to the cheering team and all the boxes have been filled, repeat steps starting with box 1. In this case, there may be more than one bean bag in each box.
Diagram	 <p>The diagram illustrates the relay race setup. It shows two parallel lines of participants. Each line begins at a 'START' point marked by a blue triangle and a cluster of colored squares (representing beanbags). An arrow labeled '5'-10'' indicates the distance to a ladder consisting of seven rectangular boxes. The ladder ends with another blue triangle, representing the end of the race for that team.</p>

PE Game: Dodgeball (15 min.)	
Setup	Set up a field of play and create a midline with cones going across to divide the field of play.
Game Instructions	<p>Goal of the game: To throw balls at targets while dodging balls.</p> <ul style="list-style-type: none"> • Divide players into 2 teams. • Have teams stand on opposite sides of the field and give each of the teams half of the dodgeballs. • When the Coach says, "Go!" players grab the ball and throw it at the other team while staying on their half of the field. • Players who are hit from the shoulders down go to the side. They can be out for the rest of the game or have to do jumping jacks, push-ups, or planks to get back in the game. • If a player catches a thrown ball, the thrower is out. • Play continues until one team's players are all out or until time has ended. • Variations: Instead of being hit from the shoulders down it can be changed to waist down.

Mindfulness Practice	<p style="text-align: center;">Body Scan</p> <p>The body scan is one of the basic practices in mindfulness, and it is an easy one to teach to children.</p> <ul style="list-style-type: none"> • Have your kids lie down on their back on a comfortable surface and close their eyes. • Then, tell them to squeeze every single muscle in their body as tight as they can. Tell them to squish their toes and feet, squeeze their hands into fists, and make their legs and arms as hard as stone. • After a few seconds, have them release all their muscles and relax for a 20–30 seconds. • Encourage them to think about how their body is feeling throughout the activity.
