Relay Race (15 min.)	
Setup	Set up obstacle course or relay in a space that accommodates the size of the group.
Relay Instructions	<ul style="list-style-type: none"> • Divide players into even lines. Each team should have at least 15 beanbags in front of the short cone. • When the coach blows the whistle, the first player in each line picks up a beanbag and tries to toss it into the first box of the ladder. If that player's beanbag lands in the first box, the player sprints past the ladder to the end cone and cheers on the team. The second player in line then picks up another beanbag and tries to toss it into the second box of the ladder. • If players miss the appropriate box, they run to collect the beanbag they threw, bring it back to the team, perform 5 push-ups, and then get in the back of the line. This repeats until all boxes of the ladder have a beanbag. • If players have not made it to the cheering team and all the boxes have been filled, repeat the steps starting with box 1. In this case, there may be more than one beanbag in each box.

PE Game: Passing Relay (15 min.)	
Setup	Teams line up with a hula hoop at the end of each line.
Game Instructions	<p>Goal of the game: to throw and catch accurately.</p> <ul style="list-style-type: none"> • Divide players into equal teams. • Each team will stand in line, with players arm's lengths apart. • The first player in the line will start with a ball, and the last player in the line will be at the hula hoop. • When the coach says "Go," the first player in line will toss the ball to the second player, and that player will turn and throw the ball to the third player. This continues until the last player in line catches the ball and places it in the hula hoop. • Variations: more balls can be used, as well as beanbags. Players can also space themselves farther apart to make it more difficult. If a ball is dropped, that ball must start over at the beginning.
