<b>Mindfulness (30 sec.)</b>	
<b>Setup</b>	Group students at arm's length. Students should be calm and quiet before beginning. Complete the activity for 30 seconds.
<b>Mindfulness Practice</b>	<p style="text-align: center;"><b>Heartbeat Exercise</b></p> <p>Paying attention to one's heartbeat has a role in many mindfulness exercises and activities. Kids can learn how to apply this mindfulness practice to their own lives, as well.</p> <p>Tell your kids to jump up and down, run in place, or do jumping jacks for 15 seconds. When they have finished, have them sit down and put a hand over their heart. Instruct them to close their eyes and pay attention only to their heartbeat and breath. This easy exercise shows children how to notice their heartbeat and helps them practice their focus. These skills will come in handy as they start engaging in more advanced mindfulness activities.</p>
