Each station should be approximately 25 feet apart. • Divide the players into 4 small groups—1 group per station. • All players begin at the same time by performing the fitness skill at their station for 40 seconds. When time is up, players can rotate by skipping, jogging, hopping, or running to the next station. • Players should complete each station at least 3 times.
Game (10 min.)	<p style="text-align: center;">Burpee Wave</p> <ul style="list-style-type: none"> • Form a circle with all players. • Set one sandbell in front of one player and another sandbell in front of a player on the opposite side of the circle. • Players with the sandbells start the wave by placing their hands on the sandbell, jumping their feet back into a push-up position, jumping back in, and standing up while picking up the sandbell to pass it to the right. • Repeat this until the sandbells make it back to where they started.

Relay Race (15 min.)	
Setup	Set up obstacle course or relay in a space that accommodates the size of the group.
Relay Instructions	<ul style="list-style-type: none"> • Divide the players into two teams, each lined up behind a start cone. • Place an end cone 50 feet away from each start cone. • The first player for each team straps a personal parachute around his/her waist. • When the coach blows the whistle, the first player runs to the end cone and back to the start as fast as possible. • Once back at the start cone, the first player takes the personal parachute off and transfers it to the next player in line. • This continues until all players on the team have gone.

PE Game: Capture the Flag (15 min.)	
Setup	Set up a field about the size of a basketball court or as big as a soccer field. Use short cones to mark boundaries. Use dots/poly spots to create a midline. Place a hula hoop on each side with a sandbell in each hoop. The sandbell is the “flag.”
Game Instructions	<p>Goal of the game: To work on offensive and defensive skills.</p> <ul style="list-style-type: none"> • Divide players into two teams, give all players waist flags to wear, and give one team pinnies to wear. • Teams will start on opposite sides of the field. • When the coach says, “go,” players will try to run to the other side to get the other team’s flag (sandbell) while also trying to stop the other team from getting their flag (sandbell). • When players run to the other team’s side, their flags can be pulled. • Players whose flags are pulled go to the sideline and perform jumping jacks, push-ups, or planks to get back into the game. • Players who run past the other team and make it to the hula hoop are safe, and their flags cannot be pulled. Running back safely to their side with their opponent’s flag (sandbell) means their team wins. • Variations: Instead of players going to the sideline when their flag is pulled, they can go to a hula hoop and are stuck there until one of their teammates comes and saves them and walks back to their team’s side.
